

5 WAYS

to support *Palestinian Liberation within the Bay Area*

1 SUPPORT #JUSTICE4RASMEA

Rasmea Odeh is a 67 year old Palestinian community leader, living in Chicago, who was tortured in an Israeli prison in the 1970's. She is being prosecuted by the U.S. government on bogus immigration charges because of her unwavering support for Palestine's liberation. Her next hearing is on June 13, 2016 in Detroit. Learn more at justice4rasmea.org.

2 PRESSURE AIRBNB TO STOP PROFITING FROM STOLEN HOMES

13,000 Airbnb listings are in Israel, including settlements in the West Bank. Since 2014, 128,000 guests have stayed in these rentals. Join the [#nomorestolenhomes](https://www.facebook.com/nomorestolenhomes) campaign.

3 BOYCOTT THE FRAMELINE FILM FESTIVAL IN SF

Frameline receives financial support from the Israeli consulate. Join the cultural boycott of Israel and resist pinkwashing apartheid. Share your concern: feedback@frameline.org. Learn more about the Academic & Cultural Boycott: www.usacbi.org

4 DEMAND AFL-CIO DISAFFILIATE WITH THE HISTADRUT UNIONS

Stand in labor solidarity with Palestinian workers and society! Urge unions to endorse BDS and divest unions and employers from buying Israeli bonds from companies that enable occupation. Learn more at laborforpalestine.wordpress.com.

5 STOP URBAN SHIELD

Urban shield is a SWAT training, surveillance, and weapons expo for domestic and international police-military units, including those from Israel. It was kicked out of Oakland in 2014 and the Stop Urban Shield coalition is mobilizing to kick it out of Alameda County this September.
