BY WORKERS FOR WORKERS! Join us for this webinar made by members that truly highlights the history of Palestine and labor in regards to both anti-war movements and Zionism. The presentation was predominantly created by a Palestinian SEIU member and will be told by members who are Muslim, Jewish, and most importantly internationalist! Because we are not free until we're all free! [#palestine](#)

BY WORKERS FOR WORKERS!

Purple Up for Palestine is a rank-and-file led collective of SEIU members & staff organizing against U.S. imperialism and for a liberated Palestine.

Join us for a virtual teach in on Israel's over 76-year brutal occupation which has led us to this moment in history, learn labor's history of both Zionism and fighting against war, and gather resources to continue learning more and organize for a free Palestine!

How the Palestinian Justice Movement Helped Starbucks Workers United

Starbucks worker organizing produced a historic union breakthrough, and this victory came about in part because of solidarity with Palestine.
