

*[The following statement was adopted at the ALAA-UAW 2325 Joint Council of May 7, 2024 by a vote of 150-9-4]*

Resolution on the UAW International Executive Board's Failure to Divest from Genocide

**Whereas**, on May 3, 2024, a majority of UAW International Executive Board members, including President Shawn Fain, did not vote to divest from Israel Bonds, or take any other steps to end UAW complicity, despite [President Fain expressing UAW's support for student protestors and their cause only two days earlier](#);

**Whereas**, student protestors, including UAW members, are specifically calling for institutions in which they are a part of to divest from Israeli apartheid and genocide;

**Whereas**, on December 1, 2023, the UAW International Executive Board (IEB) voted to pass a [resolution](#) calling for a ceasefire in Gaza and the creation of a UAW Divestment and Just Transition working group;

**Whereas**, ALAA passed a [Resolution on Divestment from Israel Bonds and on Transparency in Investments funded through Union Membership Dues](#) on July 22, 2022, and a [Resolution Calling for a Ceasefire in Gaza, an End to the Israeli Occupation of Palestine, and Support for Workers' Political Speech](#) on December 19, 2023, both calling on the UAW to divest from Israel bonds and US-backed Israeli occupation and genocide;

**Therefore be it resolved that:**

- ALAA commends UAW Region 9A Director Brandon Mancilla for calling the vote and voting yes to end UAW's complicity in genocide.
- ALAA condemns President Shawn Fain and all other IEB members who declined to vote yes, and as a result, continue the UAW's complicity in genocide.
- ALAA directs all Local 2325 Community Action Program (CAP) representatives to bring resolutions to their CAP Councils demanding that the IEB vote to divest immediately from Israel bonds.
- ALAA calls on other UAW locals to pass similar resolutions.
