

An Injury to **Palestine** Is An Injury to All: **Labor Solidarity Now!**

No war on workers here, and no war on Palestine—not in our name, not on our tax dollars!

We honor the Palestinian trade union picket line demanding that labor worldwide:

- **Block the ships, ground the planes, and stop the weapons bound for Israel.**
 - **Boycott, divest, and sanction the corporations and institutions complicit in occupation and apartheid.**
 - **Refuse to build, move, or fund the machinery of war—anywhere.**
- ▶ **Stop Arming Israel & No US War On Venezuela!**
- ▶ **Fund Our Communities, Not Genocide & Occupation!**
- ▶ **Stop ICE, Military & Police Terror, Union-Busting, Racism & Fascism!**
- ▶ **Free Palestine, From the River to the Sea!**
